

# High-Life 2024 Summer Calendar

High-Life! It's a Cicada Summer that only comes once in 200 years! We hope this calendar reminds you that we want to spend time with you and these are events for you and your friends! We hope that you will come be a part of as much as possible. It is our desire to see you develop close relationships in High-Life Ministries , but even more, we hope that your relationship with Jesus will grow in great ways this summer!

We know that the summers are a GREAT OPPORTUNITY for growth and our hope for you is that in the midst of all that you do, you will take time each day to pray, look in God's word, focus on how good God is and how much He has blessed you. He does love you! We will be praying for you and look forward to all the incredible times we will have this summer!
