

# Sermon Q's - June 11, 2023

Standing Firm

1 Peter 5:12-14

1. When you think of standing firm in the true grace of God, what do you imagine seeking to knock you over, pull you loose, or cause you to fall?

2. Will said the true grace of God is grace that flows to us and through us. How does knowing you are experiencing the true grace of God encourage you to share it with others?

3. What is one image of your identity in I Peter (think of a verse or a picture) that is most encouraging and transformative to you in your life?

4. Name some of the "imperishable" things in I Peter. Is your life (time, effort, resources) focused on things that last or things that fade?

5. How has knowing the Trinity is with you and for you helped you facing suffering in your life? How can you lay hold of that reality when the fire is hot in the future?

6. How would you hope I Peter would be an encouragement to you in future suffering? How can you keep it in your heart until that time?
