In The End, This Is What Matters

1 Peter 4:7-11

1. HEAD: What is one situation or relationship in your life you need to think about differently based on the priority of your relationship with God?
2. HEART: Who is one person in your church family you could love in a tangible way this week, even if it's costly to you or you feel he doesn't deserve your love?
3. HANDS: What is one gift you could use to serve the kingdom in a new way? Or what conversation will you commit to in an effort to figure out how to use your gift?
