Why It Matters: Refuge isn't about where you are—it's about who is with you.

Grace Group Questions:

1. How was the world of Shadrach, Meshach, and Abednego like our world today?
2. Where do you see the “idols” of our world asking us to bow down today?
3. In what ways are you tempted to build your own version of safety instead of resting in God's refuge?
4. How do Shadrach, Meshach, and Abednego show us the power of spiritual community? Who has stood with you in your fire?
5. One day, the fires will go cold, and God will dwell with His people again. What part of that final restoration gives you the most hope right now?
